Technology and Communications

An annual technology and communications fee of \$300.00 is charged to each student to cover the cost of telephone service and wireless internet access. Use of phone and internet is regulated by parental and school rules. Each student is provided a phone voice line in his/her room. The phone service includes voice mail and call forwarding, and telephones are provided by the school. Long distance telephone charges are additional.

English As A Second Language

All international students requiring instruction in English will be charged an ESL fee per school year. An English immersion program during the summer is also available.

Private Instruction

All Music majors are required to take twenty-four, one-hour private music lessons at a cost of \$3,000.00 per school year. Juniors and seniors who declare Musical Theatre as their concentration are required to take twenty, one-hour private voice lessons at a cost of \$2,500.00 per school year.

Student Medical Insurance

A student medical insurance policy is mandatory for all boarding and day students. Evidence of medical insurance coverage acceptable by local physicians and hospitals must be provided to the school nurse at registration. The school will purchase medical insurance by October 15, 2018 for students without acceptable coverage and the premium will be charged to the student's account. Parents are encouraged to purchase medical insurance through the plan offered by Idyllwild Arts. To reduce coverage difficulties and problems, parents are encouraged to complete medical questionnaires and should deal directly with the insurance company for claims. Parents who wish to apply directly for coverage may obtain application forms from the school Health Center office (951) 659-2171 ext. 2275.

Medical and Dental Care

A complete report of physical examination is required for each student. Included must be proof of immunization and current tuberculosis test required by the state of California. All routine medical and dental care should be completed prior to the opening of school in the fall, or attended to during the periods of fall, winter, and spring holidays. All students must be up to date on all required immunizations before enrolling in class.

Transportation

The school provides vehicle transportation to Ontario, Los Angeles, and Palm Springs airports for scheduled breaks and vacation. Schedules are provided to parents at the beginning of the school year. There is a \$95.00 - \$150.00 charge each way for airport transportation.

There are additional charges for any special trips made by the school during scheduled vacations because of early departures or late arrivals, and for any other special transportation required. Also, fees for transportation to medical and dental appointments will be charged to the student's account. It is imperative that parents send sufficient travel funds to the student (including taxi fare) prior to the time such funds are needed. We prefer that parents arrange for travel and send tickets to the Dean of Students to be distributed to the student when needed. Such advance planning normally provides a considerable savings in terms of fare reductions.

Laundry

Washers and dryers are provided in the dormitories for use by the students, free of charge.

Personal Property

Idyllwild Arts does not accept liability for students' belongings at the school. We suggest that parents include their student's belongings in their homeowners insurance.

Other

A \$25 service charge will be assessed for each dishonored check. Additionally, an interest charge of 10% will be assessed on all past due accounts. Each year, the school contracts with several outside firms to provide specialized programs. The fees are determined by the firms and are passed through to the student's account.

Payment Plans

The Arts Academy provides options for families who wish to finance their student's education through flexible payment plans. Contact the Admission Office for more information.
