Technology and Communications

An annual technology and communications fee is charged to each student to cover the cost of telephone service and wireless internet access. Use of phone and internet is regulated by parental and school rules. Each student is provided a phone voice line in his/her room. The phone service includes voice mail and call forwarding, and telephones are provided by the school. Long distance telephone charges are additional.

Private Instruction

All Music majors are required to take twenty-four, one-hour private music lessons per school year. Juniors and seniors who declare Musical Theatre as their concentration are required to take twenty, one-hour private voice lessons per school year.

Student Medical Insurance

A student medical insurance policy is mandatory for all boarding and day students. Evidence of medical insurance coverage acceptable by local physicians and hospitals must be provided to the school nurse at registration. The school will purchase medical insurance by October 15, 2019 for students without acceptable coverage and the premium will be charged to the student's account. Parents are encouraged to purchase medical insurance through the plan offered by Idyllwild Arts. To reduce coverage difficulties and problems, parents are encouraged to complete medical questionnaires and should deal directly with the insurance company for claims. Parents who wish to apply directly for coverage may obtain application forms from the school Health Center office (951) 659-2171 ext. 2275.

Medical and Dental Care

A complete report of physical examination is required for each student. Included must be proof of immunization and current tuberculosis test required by the state of California. All routine medical and dental care should be completed prior to the opening of school in the fall, or attended to during the periods of fall, winter, and spring holidays. All students must be up to date on all required immunizations before enrolling in class.

Transportation

The school provides vehicle transportation to Ontario, Los Angeles, and Palm Springs airports for scheduled breaks and vacation. The school also provides transportation for other purposes, such as auditions and medical appointments. Schedules are provided to parents at the beginning of the school year. All transportation fees will be charged to student's incidental account.

Laundry

Washers and dryers are provided in the dormitories for use by the students, free of charge.

Personal Property

Idyllwild Arts does not accept liability for students' belongings at the school. We suggest that parents include their student's belongings in their homeowners insurance.

Tuition Insurance

Idyllwild Arts Academy has elected to participate in a student tuition insurance program that is designed to protect your tuition obligation should your child be withdrawn or dismissed from school. We have selected TuitionNet to provide this coverage. TuitionNet provides for the partial refund of tuition charges, according to the terms of the plan, if the child is withdrawn or dismissed from the School.

Coverage is required for all student accounts on payment plans that extend into the school year. It is optional for student accounts that are paid in full prior to the start of the school year.

Tuition Payment Management

Idyllwild Arts uses Smart Tuition for their online tuition and fees management. Each family is required to set up an account with Smart Tuition and will have that same account throughout the course of their child's enrollment at Idyllwild Arts. Families will be prompted to create a new account (or login into your old account if student is returning) once you pay your child's tuition deposit through the Admission Office.

Incidental Account Management

Idyllwild Arts uses Blackboard, and incidental billing management system, to manage student charges that take place on campus throughout the year. Once signed up for Blackboard, you will be able to view your child's incidental account and monitor their spending as it happens. Students can only use their ID cards to make purchases if there is an incidental deposit on their account. If you have not paid an incidental deposit, you can do so by paying the deposit through the Finance Office, or you can add funds directly from your Blackboard account via credit card.

Payment Plans

The Arts Academy provides options for families who wish to finance their student's education through flexible payment plans. Contact the Admission Office for more information.

Homestay Program

Idyllwild Arts Academy provides opportunities for exceptional homestay experiences through partnerships with companies like AmeriStudent. This organization gives safe and enriching cultural experiences for students studying abroad who are unable to travel home during school breaks. Our Student Services Department works with AmeriStudent to arrange transportation to host family locations, and booking a homestay is quick and easy.
