

# Hopi Overlay & Shadowbox

---

## What to Bring:

### - Personal Protective Equipment

- Safety Glasses
- Closed toes shoes (must be worn at in the studio at all times)
- Hearing protection
- A hair tie or clip to keep hair pulled back

### - Optional tools

- Hand tools
  - Files
  - Saw Frame
  - Hammers
  - Pliers (round nose, chain nose and flat nose)
  - And any other basic tools you like to work with
- OptiVisor
- Small battery powered work lamp
- Seat cushion

Your lab fee covers the use of all tools, equipment and consumables.

Some silver and rough stone will be available for purchase in the studio, but you are encouraged to bring stones and silver that match your preferences.

Silver is available at market price with a small mark up to cover shipping and handling.
