

**Hot Clay: Face It**  
**Thaddeus Erdahl**  
**6/16/19 – 6/22/19**

Materials to Bring:

<b>Student Tools</b>	
<b>ITEM</b>	<b>DESCRIPTION</b>
Basic clay tools*	In addition to the basics, my favorites are suggested Below
Apron or old clothes	Lifecasting can get pretty messy!
Dust mask*	A respirator is even better! If you already have one, bring it.
Sharpie permanent marker (fine tip)*	
Exacto knife*	
3-4 Jar tops, misc size, (pasta sauce jar, pickle jar, etc.)	we'll use these as small paint pallets and to mix the epoxy we will be using. They usually get thrown away after use

Suggested Tools:

Your lab fee covers:

- Clay
- Silicone mold materials
- Shared supplies
