

Hot Clay Week I & Week II

Dear HOT CLAY Participant,

We have planned a stimulating week for you with a full-immersion schedule of art making, lectures, and events.

Please note the following schedule details:

- Orientation meeting for all adult students and faculty at 8:30 am on Sunday at the Krone Library Patio
- Workshops begin on **Sunday at 9:00 am** and run daily from 9:00 am to 4:00 pm, Sunday-Friday, with evenings open for studio time, lectures and events. In workshops that will be firing work during the week, final kilns will be unloaded Saturday morning by noon.
- Slide lectures will feature each week's Hot Clay instructors. A schedule of times and locations will be handed out at the Sunday morning orientation.
- Gallery Opening and Reception takes place on Monday evening at 8:00 pm in Parks Exhibition Center, featuring work by Hot Clay faculty.
- Other lectures and events are planned during the week, including presentations by our visual art and music faculty.

Be sure to carefully review the tools and supplies list for your workshop and to bring all required items. Clay, glazes and shared materials will be provided.

General information: Ceramics studios are open 8:30am – 11:30pm or so. Participants are encouraged to work outside of class time, keeping in mind your need for rest and water. **NO FOOD IS ALLOWED IN THE STUDIOS. Closed-toe shoes are required in the studios at all times.** We will do our best to fire all work, within reason. Demonstrations are open to participants from all classes and we will announce them prior to their start.
