Registration Guide - Returning Adult Students

Go to [www.idyllwildarts.org](http://www.idyllwildarts.org) in your web browser. Once there, hover over Summer Program and a drop down menu will appear. At the bottom of the menu, click CampInTouch Registration.

On the middle right side of the page, please click Login.

Your browser will then open another tab, directing you to your CampInTouch account page. Once you are logged in to your CampInTouch account, click on the Camper Application.
You will then select the desired season of interest.

Please select the camper you will be filling out the application for.

Once a “camper” has been selected, an additional section will appear asking you for general personal information. Once you’ve filled in all the blanks, you may then click **Begin Application**.
On Page 1 of the application, you will notice a list of available courses to select from. The courses shown are filtered by date of birth, so only adult workshops should be visible.

On Page 2, be sure to enter your information as the parent. It will ask for a relationship – please select “Other (F)” or “Other (M)” to indicate that you are an adult student.

Please be sure to complete all 9 pages of the application. Please call the Summer Registration Office at (951) 468-7265 if you have any questions.
